

# Who We Serve

Each year the Beaumont Nisku Christmas Elves Society provides support for many families in our area during the Christmas season.

We are a charitable organization that provides families in need at Christmas with food hampers, gift cards, toiletries, toys and pyjamas.

During past Campaigns, the Beaumont Nisku Christmas Elves Society provided food and toy hampers for over 85 families.

Your support helps us deliver a joyful holiday season to those in need in our community

## Donations

**Monetary donations are core to our funding and can be made anytime through our website, [www.bnchristmaselves.ca](http://www.bnchristmaselves.ca), paypal and e-transfer. We are also looking for auction items that will be auctioned online in the fall.**

**All major donors receive recognition in various forms throughout the year through our website and marketing materials.**

## What We Do

The Beaumont Nisku Christmas Elves stays involved with fundraisers and community activities throughout the year.

We engage with the community through social media, our website, the local newspaper and our board of directors.

Our seasonal campaign kicks off in the middle of November and ends with delivery of the food and toy hampers one week before Christmas.

Toy and food donation boxes can be found around Beaumont and Nisku at local businesses and schools.

We are fortunate to have many volunteers who graciously donate their time to pick up items, and pack hampers. New volunteers are always welcome.

**It will cost our organization an estimated \$5,000 each year to raise the money and items needed for the food and toy hampers. Beaumont Nisku Christmas Elves Society needs to raise an estimated \$37,000 through fundraising campaigns.**

All family intakes are completed through Beaumont Family and Community Support Services (FCSS) and the hampers are delivered to families in need by volunteer City of Beaumont and County of Leduc firefighters.

Thank you for your support and for helping us deliver a joyful holiday season for families in need.
